

Instrument marking tape on sheets

Identification by variation

Especially selected and suitable for steam sterilization processes the Sterintech™ Instrument marking tapes provide a good stickiness to metal surfaces. A variety of designs is available to make the marking of instruments distinctive. For the designs and reference numbers, please refer to page two of this leaflet. Per sheet there are the following quantities and dimensions of strips available:

- ◆ 231 strips 2,54 x 0,63 mm
- ◆ 44 strips 3,81 x 0,63 mm
- ◆ 11 strips 5,08 x 0,63 mm
- ◆ 11 strips 12,7 x 0,63 mm

Characteristics:

- ◆ Over 60 designs available (see page 2)
- ◆ Packed with 5 sheets together.
- ◆ Pinholes for easy storage of each sheet
- ◆ Strips are easy to pick from the sheet due to embossed cutting.
- ◆ Latex free glue / Non- Toxic
