

Steam Integrator - Type 5 - Self-adhesive

The Integrator...

Integrators can be used in addition to the batch control Helix which will allow you to release load. Especially when OR staff wants to be re-affirmed about the sterilization conditions inside trays or containers.

REF: 105.203.0500

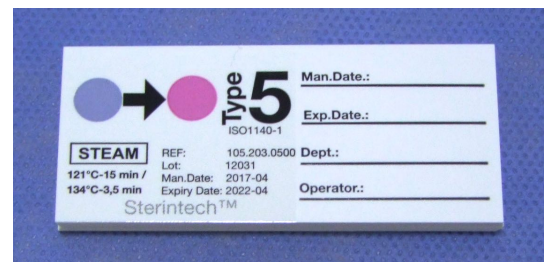

Steam Integrator 134°C-3,5 min
121°C-15 min

Unit: 500 pieces

Steam Integrators are giving a clear result which easily can be interpreted by the end-user by comparing it to the reference color printed on the integrator. No misunderstanding possible.
