

## Emulator - Type 6 - 18 min

## The Emulator with a big plus...

Emulators can be used in addition to the batch control Helix which will allow you to release load. Especially when OR staff wants to be re-affirmed about the sterilization conditions.

REF: 106.018.0250      Sequential Emulator 134°C-18 min      Unit: 250 pieces

The Sterintech™ Emulators are offering you exact information about the steam sterilization process inside your container or pouch. A clear yellow to black color change is helping you interpreting the results in the proper way.
