

3-Line Label guns & Labels

Three lines ... the all information label

The Sterintech™ three line label gun is reliable, easy to use and durable. It will serve for years of intensive usage. Sterintech™ double labels for three line label guns are available with all type of sterilization indicators as well as a variety of colors. Colored labels are used to assist FIFO systems as well as easy recognition of sterile goods for a certain department.

Often the combination of a double label gun label and normal tape is a more cost-effective solution than steam tapes only. Next to that they offer better readable data and prevent writing errors.

Characteristics:

- ◆ Process Indicators (Steam, FO, EtO, Plasma) conform to ISO 11140 - 1 Type 1
- ◆ Clear transition of indicator into its end-color.
- ◆ Easy loading of labels into gun
- ◆ Double labels serve for an easy traceability and documentation
- ◆ Non-Toxic / Lead Free indicators
- ◆ Latex free label materials

For reference numbers, types and lay-outs please refer to the next side.
