

## Instrument tray/container Hang Tags

### To make it extra clear .....

The instrument tray/container Hang Tags are an excellent aid to mark instrument trays during their transportation from the OR back to the CSSD in case of lost / damaged instruments but also when stored at the CSSD and transported to the OR to indicate what set the container contains, what department it should go and / or to make any remark in between departments specifically for that one set or container. Available are :

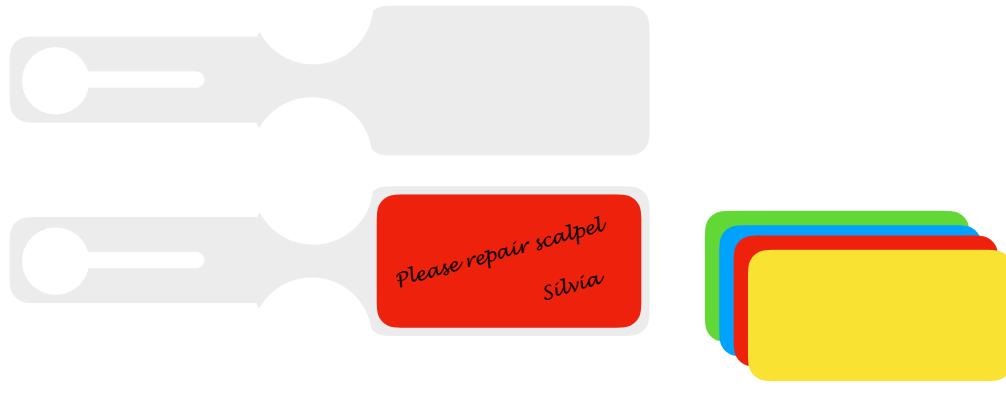

- 903.001.0100 - White plastic Hang Tags (dimensions 50 x 236 mm, label area 50 x 90 mm)
- 903.010.0500 - Red self-adhesive plastic labels 70 x 35 mm
- 903.011.0500 - Green self-adhesive plastic labels 70 x 35 mm
- 903.012.0500 - Blue self-adhesive plastic labels 70 x 35 mm
- 903.013.0500 - Yellow self-adhesive plastic labels 70 x 35 mm
- 905.10x.0006 - CSSD Marker (Blue/Red/Green/Black)

#### Characteristics:

- ◆ Flexible in design / usage / message (see second page for graphics)
- ◆ Can be printed by barcode printer or written on by CSSD Marker
- ◆ 4 different colors of labels
- ◆ Latex free glue / Non-Toxic
